*What does Anson offer outdoors?*

Whether it's hiking or biking, walking or running, a pickup game of soccer, sunning by the pool or sipping lemonade in the shade, Anson invites outdoor recreation and leisure. The community master plan includes more than 200 acres of green space with parks, trails, lakes and streams.

Kids can run out their front doors to pocket parks just steps away. Walkers, runners and cyclists can enjoy miles of interconnected paths and trails. Numerous parks in the nearby Whitestown and Zionsville communities offer swimming, sports fields, ice skating, and other recreational activities.
